

is fast becoming America's favorite math club for elementary kids, with more than 2,500 clubs serving over 40,000 kids.

HERE'S WHAT OUR COACHES SAY...

"I love how your activities engage the students and show them how math can be so fun! The kids come in and cannot wait to find out what we're doing next."

—Corinne D., Crazy 8s Coach SAULT STE MARIE, MI

"The kids LOVED "Rock 'n' Roll Bingo"! It was super fun because they were borderline out of control, but completely on task. They were so into it."

—Shannon S., Crazy 8s Coach NEWBURYPORT, MA

"Crazy 8s was different, exciting, and engaging. As a facilitator, the mapped out lessons were super helpful, and easy to follow and implement."

—Kristy M., Crazy 8s Coach SILVER SPRING, MD

Join the Movement

Bedtime Math is a nonprofit whose mission is to help kids love numbers so they can handle the math in real life.

Mobile Math!

All About

Crazy 8s is an over-the-top after-school club that's designed to get kids fired up about math. Every week kids get to build stuff, run and jump, make music, make a mess... and make friendships at the same time. It's time for math to become the cool thing to do after school!

- * **Bouncy Dice Explosion**
- * **Glow-in-the-Dark Geometry**
- * **Toilet Paper Olympics**

2 AGE LEVELS

- * grades K-2
- * grades 3-5

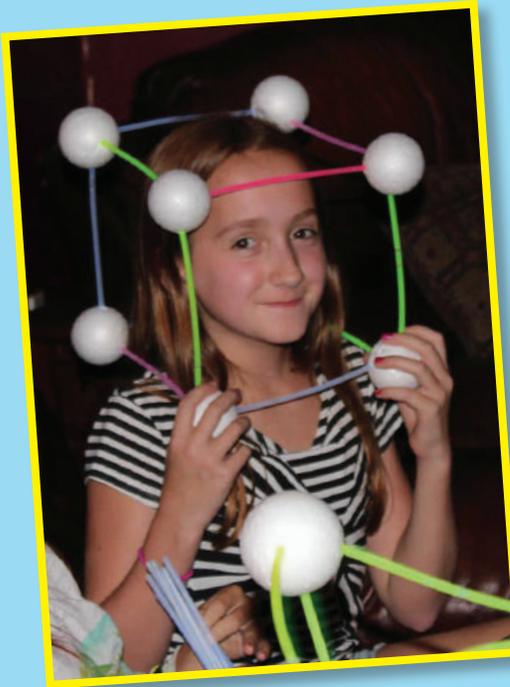

* 8 weeks per season

* Multiple seasons available

10-20 kids per club; enough to make it fun, but still manageable

Crazy 8s: Math will never be the same.

Visit us at www.bedtimemath.org to launch your own Crazy 8s club!

It's fun
and
it's free!

Novel, high-octane math activities that appeal to a wide range of kids. Clubs meet weekly after school at schools, libraries, and across America so every kid can enjoy math as play.
